CHATSWORTH BID GARBAGE CANS BEING CONVERTED TO PLANTERS

As many of you know the BID was responsible for the creation of 22 Cement Street planters and benches. Unfortunately, it has been costly to maintain these garbage cans. We have worked with the City of Los Angeles who will now be providing garbage cans and services for the Devonshire Corridor. The Board has decided to convert the garbage cans into planters. The City of Los Angeles Communities is responsible for converting the Planters.
